

Neilson Grove Elementary Spring Fair May 4th

On behalf of the Neilson Grove Elementary School's Parent Advisory Committee (PAC), I would like to ask you to consider supporting our upcoming Spring Fair on May 4th. We are hopeful that your business may be able to provide a donation of small denomination gift cards for prizes.

The dollars raised through our Spring Fair will offset the cost of many of the extracurricular activities the students at Neilson Grove Elementary participate in. These activities range from in school cultural performances to field trips, to new / upgraded classroom technology to sports equipment and library books.

All donations will be gratefully recognized at our Spring Fair. We appreciate any assistance and support you can provide and thank you for being a part of helping our students grow and succeed.

I would be happy to arrange for pickup of your donation. Or you may drop it off at the school office (5500 Admiral Blvd, Ladner). Please include your business card or letterhead. If you have any questions, please do not hesitate to contact me 604-202-0961 or email rmosing@gmail.com.

Sincerely,

Michelle Osing
