Peek at the Week March 2 – 13th, 2020

Principal's Message

We had a wonderful Pink Day celebration last week. Thank you to Emily, Alexandra, Emma and Ella L for choreographing and leading the school in the dance. The lyrics to Flo Rida's, "That's What I Like" were perfect and there were lots of cool dance moves to be seen - even the parents and teachers got into the groove!

Thank you to the PAC for decorating the hallways with hearts and Pink Shirts with positive messages from students. It looked wonderful! We also loved the Smile cookies that were organized through Thrifty's as a sweet treat for each student.

Pink Day dancing!

Mobile phone use

Stop, think, before you hit 'Send'

More and more often, group chats through text, apps, or online gaming the night before have had a negative impact at school. Social connections become too much of a priority and it can distract from learning. That is why we have a no personal phone use policy for students once they are on school grounds. We encourage Face to Face and Play time together instead.

TelusWise program has some good tips to #endbullying
