

Griffin Gazette

Peek at the Week – May 11-14

Principal's Message

We had such an amazing time at the parade last week. I am still compiling all of the pictures that came in but we will post a video soon. In the meantime, we have created a staff slideshow with our Furry Quarantine Companions to share. We have noticed that the students love to talk about their pets at home during the Google Meets together. <https://tinyurl.com/ybvtjqz>

The beautiful sunny weather in the forecast is a reminder that we have 7 weeks until summer. That is an achievable goal! We have all received more information from the Ministry about possible steps and planning re: a return to classes inside our building. We are all watching the news from Dr. Bonnie and I have been assured that nothing will change rapidly. Our online learning environment is going well. We are keeping calm and carrying on. I'm very thankful that we are in a school district and province that has taken time and thoughtful steps to keep us all safe while students continue to learn.

If your family does need more support during this time, please reach out to me or your children's teachers. We have EAs, LSTs, our counsellor, our CYCW, caring adults that are ready and willing to help out - with whatever is needed. Even if it's just to talk.

The parade was so much fun!

Mrs. Wallace and Mrs. Doolan walked the whole route!

Grade 7 Students

We have not forgotten about you!

Conversations have started around how to make this end of year special and to celebrate your transition from Elementary to Secondary school. If you or your parents would like to be part of those conversations or if you have any ideas about what could work in these changing times, please contact Mrs. Palmer or your teachers, Mr. B and Mr. Penny.

**Reminder: Non-instructional Day
May 15th (no school for students
or staff)**

Message from the PAC

Your Neilson Grove PAC will be having their final meeting of the 2019/2020 school year virtually this coming **Monday, May 11th, at 7 pm** on Zoom. There are a few vacant positions available for the PAC next year including: Vice Chair, Fundraising (could be 2 or 3 parents working together), DPAC (a representative who will go the the District PAC meetings on our behalf and report back to us). All are welcome to attend and there is no obligation to sign up for a position. Please e-mail us at neilsongrovepac@deltasd.bc.ca for the zoom link. Hope to 'see you' Monday!
